

INTRODUCING THE UNIVERSAL WINE PACK

FEATURING 1 PK + 2 PK BOTTLE SLEEVES

For over 20 years, Green Cell Foam has been the premier packaging solution for the wine industry. Environmentally sustainable, functional, protective, and easily configured, Green Cell Foam integrates seamlessly into your wine fulfillment program.

- All-in-one solution that includes corrugated dividers, sleeves, and insulation.
- The only sustainable wine shipper that has passed rigorous drop and vibration testing.
- Up to 48 hours of thermal insulating performance.
